Lyrics:

Blessing of the Animals-Sacred Heart School

Every year at Sacred Heart School,
We follow the footsteps of St. Francis,
Who knew what God already knew
That every creature matters.

From wagging tails to quiet shells,
From fluttering wings to soft-padded paws,
God made them all with care and purpose,
And trusted us to love them all.

St. Francis taught us that animals
Are not small things in a big world,
But living songs of God's creation,
Each one humming its own tune.

So we gather with leashes, cages, and hands held tight,
Laughing at barks, purrs, chirps, and hops,
Asking God to bless every creature
The fast ones, the slow ones, the shy, even the bold ones.

Because love isn't just for people.
It's for puppies and kittens, turtles and birds,
For creatures that run, crawl, swim, and soar
All wrapped in God's endless care.

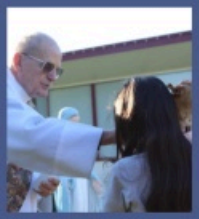

And here at Sacred Heart,
We promise to protect them,
To speak gently, act kind, and love all God's animals
Every single one.

Woof., woof, meow, purr, chirp!

You've Got a Friend in Me
Randy Newman

Halloween @ SHS

Halloween isn't just about dressing up, it is about showing up, being silly, and enjoying one more moment together. Here's to the school that makes every day feel a little more like a celebration.

Every year, our SHS students and staff come together to create something special, from the parade to the ASC themed activities. It's not always perfect, but it's always full of energy, creativity, and moments that bring us closer as a community.

Here's to learning, growing, and making each year better than the last.

Be Thankful

Every year during the fall, our middle school parents come together to host a special Thanksgiving dinner for students and staff. It's a meaningful tradition that brings our school community closer.

One of the highlights of the event is the Kindergarten class performing a heartwarming Pilgrim play. As a school, we take this time to reflect and share gratitude for the many blessings in our lives.

We are truly thankful for this beautiful tradition and the community that makes it possible.

Happy Thanksgiving

Principals Message

Principal's Message 2026
Sacred Heart School
Faith • Excellence • Community

For over seventy-three years, Sacred Heart School has been a cornerstone of faith-filled education, guiding generations of students and their families in the pursuit of spiritual growth, academic excellence, and meaningful service. Rooted in the traditions of the Catholic faith, our mission continues to thrive through the strong foundation built by those who came before us and the vibrant community we nurture today.

Our school is uniquely and deeply connected to Sacred Heart Parish, a relationship that enriches every aspect of student life. We are especially blessed by the presence and guidance of our clergy, our pastor, Father Bill, whose gift for communication brings faith to life in ways that resonate with all; our associate priests, Father Albert and Father William; and our dedicated deacons, Deacon Ron Butler and Deacon Jim Allgaier. Their commitment, wisdom, and visible presence on campus provide our students with daily examples of servant leadership and faithful living.

Because of this strong partnership with our parish, Sacred Heart students experience more than an education, they experience a community. They learn not only the importance of faith, but also how to live it through service, compassion, and outreach beyond our campus walls. Whether through liturgical celebrations, service projects, or everyday acts of kindness, our students come to understand their role as active members of a greater community.

From Transitional Kindergarten through 8th grade, Sacred Heart School provides a safe, nurturing, and engaging environment where each child is known, valued, and supported. We are committed to developing the whole child. spiritually, academically, and socially-emotionally, ensuring that every student is prepared not only for high school, but for a life of purpose and integrity.

As we reflect on our rich history and look toward the future, we remain steadfast in our mission: to cultivate lifelong learners, compassionate leaders, and faithful servants. With the continued support of our parish, families, and dedicated staff, Sacred Heart School stands strong as a beacon of faith, excellence, and community.

With a grateful heart,

Altar serving is a special way students support the Mass by assisting the priest, preparing the altar, and helping everything run smoothly.

Without our students doing their part, the Mass wouldn't be the same. Their reverence and dedication help create a meaningful and prayerful experience for our entire community.

Yearbook Team 2025-2026

Every year, we are the quietest ones behind the scenes. No spotlight. No applause. Just pages turning, stories captured, and moments made permanent.

We are the poetic rebellion, the ones who see what others miss. The punk rock cool kids with cameras, deadlines, and a vision. We don't ask for attention; we create something worth remembering.

We work hard. We play hard. We stress out, and somehow always get it done. We are the underappreciated, the talented, the endlessly creative. Even if our names aren't always remembered...our work is.

We leave our mark on every page, every memory, every year.

Valerie,

The day you were born, you truly brightened my life in ways I could never put into words. I am so incredibly proud of you and everything you have accomplished. Watching you grow has been one of the greatest honors of my life—from seeing you promote kinder, to completing eighth grade, and now stepping into a brand-new chapter of your journey. It has been a privilege and a blessing to call you my baby, my daughter, my love, my everything. I love you more than words can ever express. Keep being the loving, caring, and beautiful person you have always been.

Love,
Mom

Her love still wraps around you like light. My love walks beside you each day. Together, we have seen your heart grow strong, kind, and true.

We are incredibly proud of you. And many others are equally as proud. Proud to call you our eldest son. From day one, you have always had a heart of gold, whether it was taking care of your siblings, playing with them, making each of them laugh and smile; or protecting your friends even as a 1st grader, you stood up to bullies with courage. And now as a teenager, everyone still recognizes your kindness and faithfulness to God, to your family and friends. You lead by example; thank you for teaching your siblings, cousins & peers how to live out your Catholic Faith in action and in prayer. We are so grateful to be your parents. And support you in every dream, desire, and decision you make. You will accomplish many goals yet know that the failures will teach you even greater lessons. Never hesitate to ask for help. Know that mommy and I have your back, always. And of course, God does. Stay faithful to Him. Hold close to your Catholic Faith especially as you start this next chapter into high school. We love you Davin Isaiah. Congratulations!
